Susan,

Thank you for this invitation, and I am happy to accept. Before the holidays, I think I asked my staff to let you know that I'll participate. But in the confusion of the holidays and transition, that may not have happened and I want to make sure that I've connected with you.

I would prefer the option of presenting alone, rather than as part of the panel.

Please work with Ryan Schmit on my staff on logistics and presentation. Thanks!
